

MILITARY AND STRATEGIC STUDIES

ITSC 201 Autumn 2020

THE NATURE OF THINGS

Read for commentary
on human nature

Informed Thomas
Hobbes' thinking

THUCYDIDES

The causes of wars

Alliance dynamics

Wartime decision-making

Non-rational influences
on strategy

Escalation

CASE STUDY

Strategy - Naval Power vs. Land Power

An early example of a recurring
pattern

What is the best way to succeed?

ADMINISTRATIVE NOTES

A detailed pencil sketch of the Colosseum in Rome, viewed from a low angle looking up. The drawing includes various architectural annotations: 'height h' with arrows pointing to the top of the structure, 'ground' at the base, and several 'x' marks and lines indicating structural elements or measurement points. The sketch is rendered in a light, airy style with fine lines and shading.
